Instructor Support Materials

Prep less. Do more.

Every Labyrinth solution includes a big bundle of resources to shorten prep time, simplify assessment, and kickstart learning.

LECTURE NOTES & LESSON PLANS

All in one. All for you.

For every chapter, you'll get an overview, discussion points, activities, and a course timeline. And, for quick reference, a separate PDF file of your book's table of contents is also included. Before you ask, yes, we've thought of everything.

CUSTOMIZABLE POWERPOINT PRESENTATIONS

Putting the power in PowerPoint.

A good PowerPoint is like a hype man for your classroom—they'll spruce up your lecture, reinforce your points, and help you hold your students' attention. The slides are customizable, so you can make them your own. And students can access them online for taking notes or studying.

COURSE PREPARATION DOCUMENT

Speed date your textbook.

This one-stop-shop overview helps you get familiar with your course fast. It covers the topics, support materials, types of exercises, lab setup information, and more. For every chapter, unit, and entire book, you'll also get time estimates. Kitchen sink not included.

Grab-'n-go grading.

With step-by-step screenshots organized by exercise, you can use this guide to quickly compare student work to solution examples. It's fast. It's easy. And it's printable with just the click of a button.

"Labyrinth's instructor resources are O-U-T-S-T-A-N-D-I-N-G! I'm guessing they've saved me over 100 hours over the last ten years."
